

THREATENS TO FIX THEM BOTH

Young Society Man Infatuated With
A Sporting Girl.

SENDS WARNING LETTERS,

And Says If She Doesn't Abandon
"Burt" Something of an Alarm-
ing Nature Will Happen.

Mortie Burton, a young woman who
inhabits one of the resorts in this city,
has received two letters from a young
man here threatening to seriously in-
jure her and to take the life of a par-
ticular friend. No name was signed to
the letters but their author is believed
to be a young man of high social con-
nections, who has become infatuated
with the woman, and is insanely jeal-
ous.

The letters were sent by a messenger,
who was obliged to divulge the name of
the writer to the officers, and the let-
ter have had friends go to the ranch
where the woman is, and tell her of the
threats or he might have to answer to
the law.

THE FIRST LETTER.

The first letter was received Thurs-
day evening, and is as follows:
"Dear Mortie—Please pardon me for
intruding, but I write to warn you that
there are certain parties in this city
trying to do you harm. I was in the
Bismarck a few nights ago and over-
heard a conversation that would sur-
prise and interest your friend Burt. The
party said that if you were ever on the
street together again he would tell
Burt and injure you for life. I write
this to you to warn you and tell you
to be careful. I do this as a friend, not
as a foe, and you had better leave Burt
alone if you know what is well for you.
I am your friend, and if anything hap-
pens I will be at hand."

LETTER NUMBER TWO.

The second letter was received last
evening and was placed in the hands of
the police. It runs as follows:
"Dear Mortie—Again I give you
warning to leave that man, Burt. You
may think I am fooling or crazy, but I
am determined to do you both injury,
and one of you at least will suffer. I
dare you to go out on the street with
Burt again or even to meet him anywhere.
I intend to see you and talk with you,
but until Burt is parted from you, I
know what I am saying and doing
and warn you to leave him alone or he
may not be here tonight and you your-
self will be fixed so that he will never
want to see you again."

GIRL NOT ALARMED.

The girl says she has no idea who the
party is. She is not in the least alarm-
ed nor do the police attach
much significance to the threats. How-
ever, they have warned the young man
through his friends to stop his letters.

HOME BURNED TO THE GROUND

Residence of C. O. Standrod De-
stroyed by Fire This Morning.

LOSS WILL BE NEARLY \$1,000

Quick Action on the Part of the Fire
Department Saved the Harris
Home Next Door.

The home of C. A. Standrod, 451 north
Third West street, was burned to the
ground this morning. The alarm was
sent in as soon as the fire was discov-
ered and the department responded
very promptly, but there is no water
main in that section of the city and be-
fore the connection could be made to
the nearest hydrant the house was de-
stroyed. It required 1,700 feet of hose to
reach the fire and the house being frame
it burned like paper. The house next
door, occupied by William Harris,
caught on fire, but was saved by the
chemical from station No. 2.

Most of the things in the Standrod

house were saved, but were considerably
damaged. Chief Devine estimated
the total loss at about \$1,000, but it may
be less than that.

THE DAMAGE DONE TO THE Harris home

was very slight.

100 Doses For One Dollar

Economy in medicine must be
measured by two things—cost and
effect. It cannot be measured by
either alone. It is greatest in that
medicine that does the most for
the money—that radically and per-
manently cures at the least ex-
pense. That medicine is
Hood's Sarsaparilla
It purifies and enriches the blood,
cures pimples, eczema and all
eruptions, tired, languid feelings,
loss of appetite and general debility.

"I have taken Hood's Sarsaparilla and
found it reliable and giving perfect satis-
faction. It takes away that tired feeling, gives
energy and puts the blood in good condition."

ACCIDENTS AND CRIMES AT OGDEN

Little Boy Has His Foot Severely
Lacerated.

ANOTHER HAS ARM BROKEN

A Partial Confession—North Dakota's
Delegate—Thorne in Trouble—
Chinese Shack Burned.

(Special to the "News.")
Ogden, July 11.—The little 12-year-old
son of Mrs. D. C. Shurtz, while his
mother was absent yesterday after-
noon, removed his shoes, and while
running about the yard in his bare
feet, stepped on a broken bottle, cut-
ting his foot in a frightful manner.
Before medical aid could reach him the
little fellow had nearly bled to death.
Dr. Powers dressed the wound, and
says there is great danger of lockjaw
ensuing. The boy is extremely weak
from loss of blood.

THIS ONE HAS ARM BROKE.

A small boy named Bert Chandler,
while riding on a load of gravel with
his father near Southern Pacific shops,
was thrown from the wagon and ran
under one of the wheels which passed
over his right arm. The member was
broken in two places below the elbow.

A PARTIAL CONFESSION.

Frank Meyers, the man arrested last
night on the charge of an attempt to
commit rape, admitted this morning
that he was at the home of Mrs. En-
gle on Adams avenue on Thursday
last, when the crime is alleged to have
been committed. He pleaded guilty
made an assault on the little girl.

NORTH DAKOTA'S DELEGATE.

Prof. Daniel Willard of North Dako-
ta agricultural college has been ap-
pointed vice president of the North
Dakota contingent to the national ir-
rigation congress.

M. TIERNY IN TROUBLE.

M. Tierny has been arrested here on
the charge of vagrancy, but it is more
than likely a more serious matter will
be brought against him, as it is believed he
is the man who entered the Central hotel
a few nights ago and stole two watches
and \$40 in cash.

CHINESE SHACK BURNED.

A fire occurred last evening in the
rear of the Chamberlain lodging house
in a small frame building occupied by
some Chinese. The building was al-
most totally destroyed, and but for the
prompt work of the fire department a
serious conflagration might have been
the result.

DEATH OF HIS BROTHER.

G. H. Isaacs has just received the
sad news of the death of his brother,
Fred W. Isaacs. He died at Sydney,
Australia, at the age of 39, and leaves
a widow and four children. The news
came as a severe shock, as it was not
known that he was ill. He was the
only brother of G. H. Isaacs, and the
news has prostrated the latter. The
deceased had a number of friends in
Ogden, having been here on a visit 10
years ago.

JOHN EDWARDS ROBBED.

John Edwards complained to the
police this morning that he had been rob-
bed of \$4 at the rear of a saloon last
night. Capt. Brown and Detective Pen-
der arrested A. O. Stewart and
Charles Diamond, and Edwards recog-
nized them as the men who robbed him.
However, when the complaint
was drawn up Edwards had disappear-
ed, and would not admit that he was
guilty of being drunk and
Stewart was fined \$25 and Diamond \$10.

ENUMERATORS APPOINTED.

The board of education held a ses-
sion last night and appointed the fol-
lowing enumerators to take the school

Report Shows the Same Favorable
Conditions as a Week Ago.

week and one in excess of the same
week of 1902. The births reported were
six more than for the preceding week
and one less than for the same week of
last year. Twelve deaths were reported,
five males and seven females, five of
the age of 10 years and under, and five
of age and three of the number being
children under two years of age. Of the

SHE WEEPS IN COURT TODAY

Man Will Have to Serve One Hun-
dred Days on the Rock Pit—Other
Police Court Offenders.

The local court of the first instance
presided over by Judge Diblei had a big
business this morning. The long culprit
bench was filled with all kinds of cases,
from the besotted whisky navigator to
the low brow of the graduated criminal.

Dennis Goff and Mrs. Hyatt came in
for the greatest share of attention from
the curious spectators. Goff was ar-
raigned on three counts, viz: destroy-
ing property, interfering with an officer,
and battery. The former charge was
dismissed and after a brief investiga-
tion into the second he was fined \$25,
and for the other offense a fine of \$75
was imposed. Not having the neces-
sary funds he will spend the next hun-
dred days in the county bastille. Goff
assaulted Mrs. Hyatt because she
wouldn't give him any money. And she
refused him the money because he
wouldn't marry her. The woman was
very much affected, and spent most of
the time in shedding tears and mur-
muring "It will teach him a lesson."

FOR TAIL TAPPING.

G. R. Harriman, a painter, was ar-
raigned on the charge of tapping the
tail of the Idaho saloon and extracting
therefrom the tail of E. E. He pleaded
guilty and his hearing was set for

was turned over to the jailer.

rancy and of violating a city ordinance.
He will have 30 days in jail in which
to think over his financial condition.

J. H. McCormick was discharged for

being drunk as was his initial ap-
pearance before his honor.

THE LESSER FRY.

John Lummer, guilty of the same in-
discretion, was discharged for the same
reason.

Tom Smith, who is somewhat familiar
over at the court, was fined \$5 for as-
suming a similar offense.

Joe Smith was charged with assault
and battery on a police officer. He was
fined \$30 for the former and the
latter cost him \$15.

F. M. Powell was given his liberty

as it was his first time up on the
charge of drunkenness.

THE CASE OF HOUGHTON, one of the

boys who assaulted Officer Leaker, will
be called Monday.

"RED" GALLAGHER.

The hearing of Ed Gallagher on the
charge of assault on Officer Gillespie
began before Judge Tanner this morn-
ing. Thirteen witnesses have been
sworn for the city and five for the de-
fense. Gallagher testified that Gal-
lagher pushed him from the boat of
the hack and drove over him without
any provocation.

THE BOYS "DIDN'T."

Officer Evans went out to Fourth
West and Fourth North streets this
morning and brought in three boys,
who, while waiting for a car, were
making a racket and throwing rocks.
The boys were arrested, and Jesse
and Walter, who were charged with
throwing stones, were released. They
deny having stolen any apples or
throwing stones. The officer found the
pockets of the elder Spright full filled
with apples.
